

**ORTICOLARIO, GUEST AT "LES JOURNÉES DES PLANTES"
FROM CHANTILLY, THE FRENCH EVENT WILL BE AT ORTICOLARIO IN OCTOBER**

Orticolario, an event dedicated to the passion for gardens and for its ability to express beauty, **has been invited to take part in "Les Journées des Plantes" from 13th to 15th May 2016, at the Domaine of Chantilly, the most prestigious event in France.**

Orticolario will bring to visitors the story of its savoir-faire and its distinctive traits: beauty, elegance and style in communication for advanced and evolved gardening.

It is a mutual invitation, in fact, **from September 30th to October 2nd, "Les Journées des Plantes" will be guests of Orticolario at Villa Erba on Lake Como:** an exchange of visibility between two of the most representative events of the green world in Europe.

Born in 1982 at the Domaine of Courson, from 2015, **"Les Journées des Plantes"** are held in the heart of the park of the **Domaine of Chantilly**. The theme of this spring edition, the sixty-fourth, to be held **on 13th, 14th and 15th May**, will be **"Le Jardin Gourmand"**, a feast for the senses with flowers and plant species to discover and sample.

Three days during which the audience meets and listens to the stories of more than 200 nurserymen exhibitors and professionals of the plant world, and will participate in workshops and thematic conferences.
